

24 FEB 1948

Thank you for your letter of 14 February relative to your application for employment with the Central Intelligence Agency.

I have investigated this matter and find that upon receipt of your application our existing vacancies were surveyed, and it was determined there was no vacancy available for which your experience and training will qualify you. On this account the investigation required for tentatively accepted applicants was not initiated.

We will retain your application on file and should a suitable vacancy occur at some future date we will be glad to let you know.

Your interest in this agency is appreciated.

Sincerely,

*Sgd. & d. 24 Feb. '48*
